

March 21, 2019

Press Release:

Attention: Dental Assisting Educators & Practicing Dental Assistants

Dear Dental Assisting Educators & Practicing Dental Assistants,

Mark your calendar for Friday, May 3, 2019 to attend two (2) special presentations for ALL dental assistants and educators.

1. By special invitation from the Texas Dental Assistants Association, the **Texas State Board of Dental Examiner's** Licensing Director, Ms. Christina Mendez will be addressing issues associated with new rules approved by the TSBDE and questions that many dental assistants in Texas are asking to clarify what current and future changes will be enforced.

Ms. Mendez will cover the following hot issues in addition to other TSBDE concerns:

- Dental Assisting Nitrous Oxide certificate changing to a Registration
- Continuing Education requirements for those that hold the RDA & Nitrous Oxide Certificate
- Dental Assisting auditing process

2. By special invitation from the **State Department of Health, Radiation Control Division**, Ms. Lisa Bruedigan will be updating us on new changes with dental radiation machine requirements.

Sponsored by:

Texas Dental Assistants Association
